

54th

The Korean Society of Medical and Biological Engineering

Spring Conference

MVL Hotel, Yeosu, South Korea, **9-11, May, 2019**

It gives us immense pleasure to host the 2019 KOSOMBE Spring Conference in Yeosu, South Korea on May 9-11, 2019. On behalf of the organizing committee, we extend a warm and cordial invitation to you. The KOSOMBE Spring Conference is an annual meeting of biomedical engineering organized by the Korean Society of Medical and Biological Engineering (KOSOMBE). Under the theme of revolutionary biomedical engineering technologies, a wide range of scientific programs will be organized. We are certain that this conference will be a highly rewarding educational and networking experience for all. We look forward to seeing you at the 2019 KOSOMBE Spring Conference.

Program Themes

- › Biomedical Engineering Education and Career
- › Biomedical Optics
- › Biomedical Robotics
- › Biomedical Signal Processing
- › Cardiovascular Engineering
- › Digital Healthcare Technology
- › Medical and Bio-informatics
- › Medical Imaging
- › Medical Nano and Microtechnology
- › Neural Engineering
- › Orthopedic and Rehabilitation Engineering
- › Respiratory Engineering
- › System Biology, Physiological Modeling
- › Tissue Engineering and Biomaterials
- › u-Health, e-Health, m-Health Technology
- › Wearable/Implantable Healthcare Technology
